

An hour of springy fun for families with a classic 1970s soundtrack everyone wants to dance along to!

TURNED ON ITS HEAD

is a dance company based in the East Midlands.

We create shows and workshops for young children and their families in community and theatre settings.

Sponge Play is the sister project to our touring show Sponge.

We have delivered **34** workshops across **4** counties.

We've welcomed **451** children

and their families to our workshops...

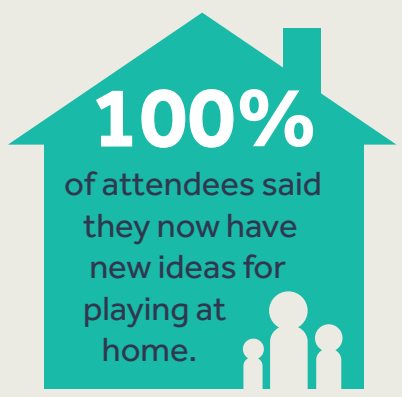

... working with those families who wouldn't be able to get to a theatre because of isolation, disability & disadvantage.

95-99%

of attendees said workshops help them feel better, & understand the benefits of play for their child.

“ The children have really engaged with their parents in new ways... This can only have positive outcomes for us. ”
